

Lawrence Metal Post and Rope

Tensator's Lawrence Metal Post and Rope provide stylish and versatile solutions to queue management by discreetly guiding customers. The Lawrence Metal Post and Rope products are available in a wide range of finishes and materials to complement and enhance public areas in countries all over the world.

Benefits

- Discreetly guide & inform your customers & employees
- Easily achieve the optimum queue layout for your floor space
- Reduces customer stress by removing ambiguity as to where the customer should queue and by providing separation between individuals and queue lines
