

QueueWay Plus Post

Retractable stanchions with custom choices at a great price.

QueueWayPlus products are a low cost quality solution when retractable belt stanchions are needed. Not only are QueueWayPlus posts cost-effective but they are also stocked at high levels so they can be delivered quickly too.

Weight 23 lbs

Features & Benefits

- Heavy gauge steel post won't dent and scratch like aluminum.
- Effective built-in braking system for slow, safe webbing retraction.
- Full circumference rubber floor protector for maximum protection against floor scuffing.
- Posts distributed flat packed and are assembled within seconds without the use of tools.
- Compatible with Tensabarrier posts.
- Accommodates Tensator's range of sign holders.
- Custom webbing option available.

Product Specification

- Post weight: 23lbs.
- Belt length: Approx. 10ft.
- Available in Polished Stainless, Satin Stainless, Black, Red, Blue and Yellow finishes.
- Nearly 50 belt options including pre-printed safety messages.
