

QueueWay® Economy Post and Rope Stanchion

The ideal choice for durability, upscale sophistication and economical pricing.

Features & Benefits

- Easily achieve the optimum queue layout for your floor space.
- Reduces customer stress by removing ambiguity as to where the customer should queue, and by providing separation between individuals and queue lines.
- Made from heavy-duty steel that won't easily dent or scratch.
- Keep your guests informed, and section off restricted/closed areas.
- Adding post and rope stanchions can provide your establishment clarity, safety, and security.

Product Specification

- Choice of three post top options - ensure your stanchions match your décor.
- Stainless steel in polished chrome or satin chrome finish.
- 4-way loop/connectivity for effortless rope attachment.
- Rubber floor protector at the base to avoid scuffing your floors and reduces the potential for the post to slide when in use.
- Full Weight 14" diameter base for maximum stability.
- Compatible with with QueueWay™ and Lawrence® Velour Rope.
- Full 1 Year Warranty.

Applications

- Ideal for a variety of applications including: hotels, movie theatres, casinos, retail outlets, hospitality and events.
